Advanced Search

The Advanced Search tool helps you find schools or districts that meet one or more criteria. For each category shown, such as "Students Per Teacher," you may choose from one of the available ranges. You can combine this filter with any of the other categories made available on the tool. Please be aware that the ranges shown are rounded to the nearest whole number. For example, a range shown of 0 - 24% includes values from 0 - 24.49%.

Search

Welcome to **SchoolMatters**, a premiere source for information and analysis of public schools. Whether you are an interested parent, a concerned educator or a knowledge-seeking decision-maker, **SchoolMatters** can help you make better-informed decisions about your schools.

- Are you interested in finding areas for improvement in your school?
- Do you want to know how your school's performance compares to others?
- Do you know how your school district utilizes its resources?

SchoolMatters can help you answer these questions and more.
